“How to Land a Job in The Next 60 Days”

Four Session Workshop

Practical Ideas for Difficult Times

We currently find ourselves living in times that are bringing about uncertainty and changes in our lives. One of the toughest challenges many of us are facing is the loss of their job. This four session workshop is designed to help you weather the storm and aid you in developing the skills to land a job in a tough economy. Here are the topics that will be discussed!

Week One: A Dose of Reality

Week Two: The Employer's Perspective

**Week Three: How to Break Through and
Get the Interview**

Week Four: How to wrap up the Job Opportunity
